NAS Easter Message 2026

Fellow Citizens, Dear Christians in South Sudan and around the world,

On behalf of the National Salvation Front (NAS) and myself, I send my warm Easter greetings to you and your families on this Holy Easter Day. I congratulate and convey special wishes to all our members of NAS and all Christians, especially in South Sudan. May this Easter Season usher in blessings, peace and prosperity.

As we commemorate the resurrection of Jesus Christ, we recall the timeless truth of salvation - that hope is strength, suffering can be overcome and the people will always triumph. It reminds us that no challenge is too great when confronted with faith, courage, and collective resolve. This sacred season calls us all to work for rights, justice and peace.

The people of South Sudan, unfortunately, cannot celebrate this Easter season in peace due to insecurity caused by the Juba regime, resulting in the deaths and injuries of many innocent civilians. I extend my sincere condolences to families and relatives who have lost their dear ones due to this insecurity and wish the injured a quick recovery.

I call on every citizen to stand up for truth, justice, human rights and dignity. Though the difficulties you face are severe, they must not define your destiny. Your resilience in times of insecurity, hunger, displacement and economic hardship is a testament to your strength and determination. Together, we can build a great country where justice, accountability and the rule of law are core pillars of governance. Our future must be built on our determination and action with courage to create the nation that we all aspire for, to reflect all of us.

NAS

This Easter offers a profound opportunity to leaders of South Sudan to commit to a genuine and inclusive comprehensive dialogue that addresses the Root Causes of the conflict in the country to achieve sustainable peace. The hope for stability and prosperity depends on leaders with patriotism, integrity, and a dedication to serving the people.

May the resurrected Christ, renew our lives, strengthen our collective national resolve to bridge divides and bless us with love, harmony and peace.

Happy Easter!

God bless you!
